

24V/16W BLDC Floor Fan

HT32F65C40F

Characteristics

- 2-shunt FOC Sensorless speed control
- Integrated 5V LDO, driver
- PWM speed control, speed range: 350rpm ~ 1250rpm
- PID speed control
- Under/Over-voltage, over-current, locked-rotor protection functions

Block Diagram

Applications

Floor fans, air circulation fans, air purifiers, etc.

B01
